Revision of the scale of the establishment for the Railway Police.

(42) While passing orders in regard to the retrenchment of expenditure in the Police Department, Government in their Order No. G. 24533-4/Pol. 150-20-6 dated 17th June 1921 reserved for separate consideration the question of the abolition of the office of the Railway Superintendent.

(43) 2. The Inspector General of Police first sent up proposals, the main features of which were (1) the abolition of the separate post of Railway Superintendent, (2) the transfer of the jurisdiction over the Station premises to the District Police and (3) the grant of jurisdiction over running trains to a special staff styled Railway Police consisting of an Inspector of Police, 5 Sergeants and 38 constables.

(44) 3. The question was further discussed by me with the Inspector General of Police with reference to the system prevailing elsewhere, and he has now sent up revised proposals and recommends the continuance of the present system, as in force in all parts of British India, with the following revised establishment involving a net savings of Rs. 8,829/- per annum:-

One Assistant Superintendent of Police,
4 Sub Inspectors,
1 Head Constable,
7 Sergeants; and
129 Constables.

OFFICE OF THE INSPECTOR-GENERAL OF POLICE IN MYSORE.

Police 17—21—1

From A. Subramanya Iyer, Esquire, B.A.,
The Inspector-General of Police in Mysore,
Bangalore.

To P. Ramaswamaiya, Esquire, B.A., B.L.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

With reference to paragraph 6 of the Government Order No.G. 24533-4/Police 150-20-6 dated 17th June 1921, about retrenchment I have the honour to state that the abolition of the office of the Superintendent of Railways involves certain changes. The jurisdiction over Station premises has to be made over to the District Police. The jurisdiction over running trains has to be given to a special staff styled Railway Police; when the jurisdiction is made over to the District Police, reduction of staff is also possible as the District Police can be sent to Railway Stations for duty. Statements showing the existing staff, the reductions proposed and the staff that will have to be kept on and transferred to the District Police are enclosed, and reasons also given. It will be seen that the existing staff consists of one District Superintendent of Police, 3 clerks, 3 Inspectors, 4 Sub Inspectors, 1 Head Constable, 14 Sergeants and 156 Constables, that it is proposed to do away with one District Superintendent of Police, 2 Clerks, 3 Inspectors 4 Sub Inspectors, 1 Head Constable, 14 Sergeants and 73 Constables, and to retain 83 Constables. Those that are shown as being

retained will be transferred to the District Police. The clerk will be kept on in this office to attend to C.I.D. and Railway work and the Police Gazette also.

Another statement is enclosed showing the staff necessary for the running trains from which it will be seen that for the 5 Sections of Railway over which the Police have jurisdiction, 5 Sergeants and 38 Constables under an Inspector with Head Quarters at Bangalore are required. The question of Kolar Gold Fields Railway Police will be taken up with the question of the Kolar Gold Fields Regular ~~xxxxx~~ Police force about which I shall address a separate communication.

As the C.I.D. and Railway work will have to be assigned to the office Assistant his allowance might be raised to what it was before a separate Railway Superintendent was appointed i.e. Rs.75/-. The net savings will be as shown below:--

Total cost of Railway force at present per ~~annum~~ mensem.	Rs.	2,823	6 8
Reduction proposed.	Rs.	1,948	6 8
Balance cost.	Rs.	875	0 0
Add cost of staff for running trains and allowances to the Assistant to the Inspector General of Police @ Rs 25/- per mensem.		672	0 0
Total.		1,547	0 0

Net savings. Rs. 1,276 - 6 - 8 per mensem

Office of the

No. C. 2420/20 21

Dated BANGALORE, 6th July 1921.

Inspector General of Police in Mysore.

To

B. Ramaswamaiya, Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

With reference to paras 4 and 5 of Government Order No.G. 24533-4/Police 150-20-6 dated 17th June 1821 about retrenchment observing that there is scope for reduction of establishment in Kolar Gold Fields and that the special allowance now given there, is no longer necessary, I have the honour to invite reference to the representation of the Mining Board to the effect that the strength of the Police Force for the Gold Fields is not enough (Vide Subject No.42 of the October Session of the Representative Assembly). What I wrote in my letter of April last, was that it is possible to reduce the number of Inspectors and that is a matter that I can consider even in the absence of the permanent Superintendent of Police, as I am acquainted with his views and about this, I shall address Government at an early date, after discussing formally with the Deputy Commissioner and District Superintendent of Police. The reduction of strength of the constabulary can only be considered after his return to duty.

2. The suggestion about allowances has been adopted in

submitting proposals for the distribution of Rs.2,30,000/- graciously sanctioned by Government for giving permanent increase to the Police; but I am not sure how it will be received. The labourers on the Fields clamour for higher wages and the argument that they were all along given more than the market rates, does not convince them.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector General of Police.

C.2420

Dear Sir,

I write to say that I met the Second Member of Council this morning and discussed with him the proposals contained in my letter No.C.2420 dated 6-7-1921 about the Railway Superintendent's Office. His view is that there should be an Assistant Superintendent instead of an Inspector in charge of the Police that will be kept on exclusively for Railway work; and I agree also. As however a Gazetted Officer is to be kept on, it appears to me that the system might not be disturbed at all and instead of a Superintendent for C.I.D. and Railways, we might have an Assistant Superintendent for the same, just as in the case of the Police Training School. Even then, it will be possible to do away with three Inspectors and perhaps 7 Sergeants and some constables. The details are being worked out and I shall send a further communication in the course of tomorrow or the day after. I request that the consideration of the matter might be deferred till then.

Yours sincerely,

Inspector General of Police.

To

B. Ramaswamaiya, Esquire, B.A., B.L.,,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department.

Sir,

I have the honour to submmitt a further report about the Railway Police Superintendent's Office.

2. The entire establishment for Railway Police is as given below:--

1 Superintendent.
3 Clerks
3 Inspectors.
4 Sub Inspectors
1 Head Constable
14 Sergeants
156 Constables.

3. In this office letter it has been proposed to do awa with the establishment noted below:--

1 Superintendent.
2 Clerks
2 Inspectors
4 Sub Inspectors

3 -

1 Head Constable.

9 Sergeants

35 Constables

and to continue the establishment noted below:--

1 Inspector

5 Sergeants

121 Constables.

4. In the course of the discussion about these proposals with the Councillor in charge of the Police Port-folio it was settled that for more reasons than one it was desirable to have an Assistant Superintendent of Police instead of an Inspector for the Police that would be called as Railway Police and that for the proper supervision of the work of the Constables, Sub Inspectors and Head Constables were better than Sergeants. Other suggestions were that there should be a Constable at each of the stations of Haliyur and Amritpura on the Chitaldrug Railway and at Akkihebbal and Dudda on the Mysore-Arasikere Railway and that there should be a Sergeant at Benkipur or Bhadravaty and an extra Sergeant at Mysore.

5. When it was settled that there should be a Gazetted Officer, but of lower status, for the Railway Police it appeared to me that it would be advantageous to continue the present system itself without any change, as that is the system in force in all parts of India.

Further the other additions and modifications as noted above settled at the discussion leave the existing establishment not much affected. According to this arrangement the establishment to be continued would be as shown below:--

1 Assistant Superintendent of Police.
4 Sub Inspectors
1 Head Constables
7 Sergeants
129 Constables.

28

It appeared to me therefore quite possible to continue the existing system, but before broaching the matter, I wanted to further examine the question and consult the Railway Superintendent.

6. I have since examined the question thoroughly and consulted the Railway Superintendent also. He says that Sub Inspectors are enough and that Inspectors are not necessary and that is my view also. The existing establishment distributed Railway-war is as given below:--

Section.	Inspectors.	Sub Inspectors.	Sergeants.	Constables.
B.N.Section.	1	2	3	54
M.A.Section.	1	1	3	28
B.C.L.& K.D.Section.	1	1	4	42
B.S.Section.	-	1 Head Constable.	2	20
C.C.Section.	-	-	2	12

According to the proposals made in my letter dated 6th instant the establishment would be as follows:--

1 Inspector to the whole Railway Section.

2. M.A.Section.	1	Do.	23	Do.

4. B.S.Section.	1	Do.	20	Do.
5. C.C.Section.	1	Do.	8	Do.
6. Inspector's Office.	-		2	Do.

In accordance with the settlement arrived at at the discussion the establishment would be:--

5. C.C.Section.	1	Head Constable.		-	10	-do.-

6. Orderlies. 6.

It will be seen that except in the Bangalore-Nanjangud Section and the Bangalore-Kolar-Bowringpet Section the difference in establishment is little or nothing.

7. As a gazetted officer is to continue in charge of practically the existing executive establishment it goes without saying that he must be given a clerical staff also as at present. For himself and for his office 6 orderlies are required. Two have already been provided as Inspector's writer and orderly in the proposals submitted with this office letter No.C.2420 of the 6th instant and four more have now to be provided.

8. The result of the proposals now made will be that

1 Assistant Superintendent of Police
4 Sub Inspectors
1 Head Constable
7 Sergeants
129 Constables

will be continued.. 3 Inspectors, 7 Sergeants and 27 Constables will be done away with. The savings that will result will be Rs.735-12-0 per mensem or Rs.8,829/- per annum as shown in the enclosed statement.

9. I have the honour to request that these modified proposals might be sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector General of Police.
